

## Salaried GP (6 sessions maternity cover)

Start Feb 2018 for up to 1 year

### Not your typical GP Practice. Not your typical Doctors' experience

Do you want to spend less time with paperwork and more time with patients? Do you practice with a reflective, self-critical and evidence-based approach? Are you comfortable with a broad range of primary care, disease management and prevention? Are you not ready to commit to a role on a permanent basis just yet?

### Our Culture...Our People:

At Priory Medical Group, we are a forward thinking, innovative and driven organization and we **recognise the quality of our work is through the quality of our people.**

### What we look for in your application:

Specifically, we're looking for GP's who genuinely believe in the family doctor ethos and are:

- Reflective, self-critical and seeking to practice evidence-based medicine
- Comfortable with a broad spectrum of primary care, disease management and prevention
- Open to constantly improving care processes
- Comfortable with information technology
- Wanting to spend time with patients, not paperwork
- Interested in setting a new standard in primary care and being part of a change movement
- Hold and effect full GMC membership
- Be able to provide satisfactory references
