

Patient Central Administrator (Call Handler)

What is the purpose of this job?

We think the purpose of this job is pretty simple ... to provide 'the best' customer service ... every day ... every patient!

As a Call Handler based in our Patient Central team, you are the voice of our Practice as you will be the first person many of our patients will come into contact with when booking their appointments.

Not only do our patients need you to have a friendly telephone-smile and a reassuring demeanor ... you will need this in bucket loads!

What is the type of person we are looking for?

You should be comfortable (and enjoy) working in a call center environment and we look for people with a warm, friendly, and approachable personality with a reassuring smile radiating in your telephone voice and manner.

You will need to be able to do this whilst keeping to a simple but focused script and ensure calls are handled efficiently and working towards the targets within the team.

That's why the people we look for are 'people-people', who love this type of work, and get a buzz from...

- interacting with people from every walk of life
- exercising your 'can-do attitude' in the face of any setback, challenge or new situation
- good honest 'teamwork', where you can rely upon your colleagues and they can rely on you
- delivering the 'best customer service', every day, every patient.

If this sounds like you, we want you to enjoy working with us and our patients.

Job specification

- Operating in a call centre environment.
- To take telephone calls from patients who are requesting/requiring appointments and to accurately record essential information on our clinical system (SystemOne)
- To take calls appropriately and efficiently whilst adhering to a script. In doing so, contributing to some fantastic team targets and making a real difference to the patient experience
- To make the most appropriate appointment for the patient i.e. GP, Nurse, Health Care Assistant

- Various administration duties generated by patient calls and any other administration work associated to the Patient Central team. To follow accurately and efficiently administrative processes and procedures
- Such other duties as may reasonably be delegated from time to time
- Maintain patient confidentiality.

What we look for in your application

- Excellent track record in a target driven customer service environment
- Proven 'first class communication skills'
- Proven ability to comply and work to processes and procedures
- Competent in the use of PCs and IT systems
- Ability to adhere to strict confidentiality policies
- Absolute discretion with regards to patients and colleagues.

So are you in or are you out?

Selection for Interview

The Practice recognises that discrimination of any kind is both unlawful and would act as a barrier to finding the most talented individuals for our organisation. As such, our recruitment and selection procedures exist to ensure no job applicant, employee or worker is discriminated against either

directly or indirectly on the grounds of age, disability, gender reassignment, marriage and civil partnership, pregnancy or maternity, race, religion or belief, sex or sexual orientation.

A great deal of careful consideration has been invested in preparing the advert for this post based on the specification for this role and the person we are looking for.

Our selection for interview process is designed to ensure individuals are selected for interview on the merit of their application only.

If you are applying through NHS Jobs, you will notice you are asked if you would like a guaranteed interview as part of the 'Two Tick' disability scheme. Whilst this is an admirable government initiative, please be aware we are not signed up to this scheme. This is a question on the NHS jobs application form which is outside of our own control. Our own process ensures we consider candidates on the merit of their application only and we do not ask any questions regarding a disability as part of our selection process. We only give candidates the opportunity to share information regarding any disability **after** candidates are invited to interview and **only** if the candidate feels they require adjustments in the interview process
