

**GP Maternity Cover up to 1 year (and ad-hoc sessions)
6 Sessions
Locum GP OR Fixed Term Salaried GP**

Are you a GP who wants to work with a well organised surgery team?

Are you looking to work somewhere you will be made to feel a part of the team from day 1?

Are you looking to benefit from friendly and talented, dedicated back office functions so you are able to spend more time with patients during your placement?

...We have an amazing team you will enjoy working with!

So are you in?

Sessions: We have a 6 session placement to cover maternity leave for up to 1 year at our Fulford Surgery (and possibility other ad-hoc sessions).

We are able to consider locum placement, we ask for your session rate (all inclusive) and we are open to discussion.

If you are wishing to enjoy the benefits of being a salaried GP, our session rate is between £153.07 per session and £164.06 per session dependent on strength of candidate and any additional responsibilities that might be mutually agreed

Location: Fulford Surgery www.priorymedical.com/surgeries

Send through an up to date copy of your CV to vacancies@priorymedical.com and our workforce management partners will be delighted to meet with you to discuss what the placement looks and feels like.
