

WE'RE RAISING MONEY FOR BBC CHILDREN IN NEED

This activity has been organised in support of BBC Children in Need. Please contact the organiser for further information.

Help us make a **REALLY BIG** difference to the lives of children in the UK. The Partners of the Practice are throwing their support behind Children in Need and setting a really big challenge for us all.

Our challenge is to collectively cycle a whopping 25,000 miles between 14th November 2014 and 13th November 2015. That's the equivalent of a full circuit of Planet Earth! We want you to support us in trying to raise £1 for Children in Need for every mile cycled. That could mean a truly amazing £25,000 in just over a year's time.

Be a Hero!

Whether you give a little or a lot, **every penny you donate will become a little Hero**, working tirelessly to ensure that every child in the UK has a childhood that is safe, happy and secure

Why Are We Doing This?

BBC Children in Need brings out the best in us. It's our chance to shine, to step up, to do whatever we can to help change the lives of disadvantaged children and young people across the UK.

It's easy to think 'my little bit won't help'. The fact is, no contribution is too small, and true heroes know that if enough of us heed the call and work together, we can achieve truly great things. So if you've always wanted to be a Hero, now is your time to shine!

Supporting over 2,600 projects 365 days of the year, BBC Children in Need is helping to change the lives of children and young people right on your doorstep. [Click here](#) to read about how your heroic fundraising and kind donations make a difference.
